NEWPORT NEWS GOLF CLUB at Deer Run

Newport News Golf Club at Deer Run's PGA Professional Staff invites all residents and visitors to come to learn and play at our 36-hole golf facility. Our goal is to provide every guest with a wonderful golf experience at an affordable price. You may not be aware, but golf in Peninsula Virginia is a year round sporting and recreation activity.

Newport News Golf Club's Deer Run course is rated 4 stars by Golf Digest and is the only golf facility in the state to receive both "Best Value" and "Frugal Pick" Awards. The facility features two championship golf courses nestled in the heart of one of the largest municipal parks in the continental United States.

The Deer Run and Cardinal courses play off rolling Bermuda grass fairways onto meticulously manicured bent grass greens. If you thought that a terrific round of golf in an atmosphere of sportsmanship and sophistication meant traveling miles from home or joining one of those exclusive country clubs, prepare to be pleasantly surprised. Enjoy great golf amid breathtaking surroundings. Take advantage of all the pleasures of the "country club" experience, without the expense, right in your own "backyard." You will find all the amenities you would expect in a fine country club including a fully equipped discount pro shop, practice facility and restaurant. We look forward to your visit!

Golf Instruction

Whether you are a beginner, intermediate or experienced golfer; let our PGA Professionals design a program for you. Our Professional Staff has many years of experience teaching and our reasonable rates allow you to choose lessons suited to your personal goals. Private golf instruction is available by appointment with one of our PGA golf professionals. Price ranges are from \$40.00 to \$60.00 depending upon which instructor you choose. Gift certificates are available for lessons. The instructors are Greg Overton, PGA, Ben Thompson, PGA, and Valerie Ragan, PGA.

Learn To Play Golf Program

This consists of six one-hour clinics taught by our PGA Golf Professionals. Each clinic will detail the golf swing through an incremental learning approach. You will begin with basic steps first then continue to build until you have learned the full swing. These steps will create a road map of the golf swing that will remain a reference point for the future. The lesson series covers all aspects of the game of golf including Etiquette, Rules, Putting, Chipping, and Full swing. Group size is 5 to 7 students. Once you have completed your clinics, it is time to take what you have learned to the course. You receive all this for only \$150.00, payable by cash or check. Call the Pro Shop to put your name on a call list.
